REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF DUBAI REFRESHMENTS (P.J.S.C.)

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Dubai Refreshments (P.J.S.C.) and its subsidiary (the "Group") as at 30 June 2015, comprising the interim condensed consolidated statement of financial position as at 30 June 2015 and the related interim condensed consolidated statements of income and comprehensive income for the three month and six month periods then ended, and the related interim condensed statements of changes in equity and cash flows for the six months period then ended and explanatory information. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard 34, Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

Anthony O'Sullivan

13 FAIR VALUES OF FINANCIAL INSTRUMENTS

Financial instruments comprise financial assets and financial liabilities.

Financial assets consist of cash on hand and bank balances, receivables and available-for-sale investments. Financial liabilities consist of bank borrowings, payables and derivatives.

The fair values of financial instruments are not materially different from their carrying values.

Fair value hierarchy

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.
- Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

As at 30 June 2015, the Group held the following financial instruments measured at fair value:
